SUMMARY

I know direction angles, basic editing, dialogue writing and basic screen play.

I'm directed (asst.) a short film based on time variants.

I'm director my own short film based on a love story. In 2018 true incident in my friend's life.

My friend share his love story and I got inspire to take this short film. This shoot is two days plans and four types of location.

Three days editing works and completed the short film.
